

AREA OF EMPHASIS B.A. CHEMISTRY

Student Name _____

Banner ID _____

LIST THE COURSES USED TO COMPLETE THE 18 CREDIT EMPHASIS.

These courses must contain at least 9 credits >300 level and comprise an area of study that augments the chemistry degree you are receiving. For example, for a pre-med emphasis, a series of biology and biochemistry courses could be used. No courses can be used for the emphasis area that are already being used to complete the B.A. Chemistry degree.

Course Name	Course Code and Number		Grade*
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____
_____	_____	_____	_____

*Grade must be C or better by time of graduation. Grades for courses not yet completed will be filled in for you.

Briefly describe how these courses form a core set in how you intend to use your B.A. degree in Chemistry.
